It is further ordered that this Judgment shall have the effect of denying all oral and written motions made by the parties during the trial pursuant to and in accordance with Federal Rule of Civil Procedure 50(a), without prejudice to, and subject to, such motions being renewed as post-trial motions.

It is still further ordered that the deadline for any party to move for costs and attorneys' fees (including under 35 U.S.C. § 285) is extended to within fourteen (14) days after the time for appeal has expired or within fourteen (14) days after issuance of the mandate from the appellate court, and no party shall file any such motion before that time.

This Judgment is subject to modification following the Court's consideration of the parties' post-trial motions.

SO ORDERED this 21st day of May, 2024.
